

AdvanceEDU

AdvanceEDU is a Denver-based nonprofit helping Coloradans who want to earn a career-relevant degree and start a meaningful career do so affordably with personalized coaching, academic support, and career connections from a team focused on helping you succeed.

For us, college and career is a joint venture.

Degree Pathways

AdvanceEDU students earn a degree online from our higher education partner Southern New Hampshire University, an **accredited nonprofit university** established in 1932. All of SNHU's online degree programs are **high quality, affordable, self-paced** and **career relevant**, and aligned with some of Colorado's highest need and highest growth sectors. Our current degree pathways include:

- › Associates of Arts Degree in Healthcare Management
- › Associates of Arts Degree in General Studies with a Concentration in Business
- › Bachelor of Arts Degree in Communication
- › Bachelor of Arts Degree in Management
- › Bachelor of Arts Degree in Healthcare Management

** Specializations available across a variety of in-demand industries including logistics, healthcare, and public administration*

Student Supports

AdvanceEDU students are supported from the sign-up process through college graduation and career entry.

THE FOUR PILLARS OF STUDENT SUPPORT

- › **Co-Learning Space:** Centrally located space where students can connect with a community of peers and have access to technology, study space, food, transportation support and childcare resources.
- › **Success Coaches:** Each student pairs with a Success Coach to receive personalized support and resource referrals as they navigate their path toward graduation and career entry.
- › **Academic Support:** Tutoring and one-on-one coaching is available to all AdvanceEDU students.
- › **Career Support:** Equipping students with career exploration opportunities, immersive career experiences and opportunities to build their professional network.

How It Works › The Steps
